Dear Madam:

Applicants appreciate the courtesies extended to Applicants' representative during the November 17, 2008 telephone interview. The remarks below constitute Applicants' separate record of the substance of the interview.

During the November 17 interview, Applicants' representative discussed the claim feature "lines of weakness. As agreed during the interview, U.S. Patent No. 5,360,116 to Schmiletzky suggests, at Fig. 3, cuts (B) that extend through the cover film (4) into the base section film (1). Schmiletzky fails to suggest cuts that only extend through the cover film (4).

Examiner Pagan agreed to review a response to the April 23, 2008 Office Action in light of the arguments presented during the May 30 personal interview.

Applicants believe no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 22-0185, under Order No. 21046-00057-US1 from which the undersigned is authorized to draw.

Dated: December 22, 2008

Respectfully submitted,
